

All the members of Rotary Club Addis-Ababa Entoto extend their deepest sympathies and their sincerest condolences to the family and friends of Professor Berhanou Abebe.

The RC-AA- Entoto join the family and friends in mourning the loss of Prof Berhanou Abebe. He was a great man and Ethiopia has indeed lost its most outstanding scholar and a nation's pride.

Although, he has left us, his legacy will remain amongst us forever.

We wish all the strength to especially his wife Wzo Fikirte, his children and the rest of the family.

He will be missed by all who know and love him.

May his soul rest in peace.
